

A Message from our Program Director

Rachel Newby

Hello all CSC Atlanta Community Members!

It may only be March, but the flowers are blooming and it looks like we're welcoming an early Springtime. Hope you're all able to get out and enjoy this beautiful weather, along with joining your friends here at CSC.

We're very excited to be offering some new programs in our March & April program calendar. Artist Kathy Walton from Spruill Center for the Arts will be returning for two sessions of "Spring Floral Arrangements" that you won't want to miss! We have a new exercise class "Mind & Body Balance" that will be led by Jane Myers, BHS. This class integrates stress reduction techniques while exercising. Of course our annual Spaghetti Dinner is always a hit.

We hope to see you for some of our ongoing programming as well. We have a variety of offerings to choose from, ranging from cooking demonstrations and support groups to our bi-monthly Movie Night.

Finally, please consider putting together a team for our Chastain Chase 5K & 1 mile run/walk. Winding your way around beautiful Chastain Park is a great way to spend an April morning with friends while supporting the Cancer Support Community Atlanta.

Looking forward to seeing all of you soon!

Rachel

Stress Reduction

The Cancer Support Community Atlanta is excited to continue our collaboration with the Spruill Center for the Arts during 2017.

The Spruill Center for the Arts is one of metro Atlanta's premier community art centers. For more than 40 years, the Spruill Center has offered visual arts classes for all ages and skill levels to more than 5,000 students annually. The Spruill Gallery hosts rotating exhibits and features a local artist gift shop. Through special events and outreach programs, Spruill Arts works to provide art education and appreciation throughout the community. Learn more about this organization at spruillarts.org.

Spring Flower Arrangements

Wednesday, April 12th
12:00-2:00pm RSVP - Space is Limited.

Tuesday, April 18th
10:00-12:00pm RSVP - Space is Limited.

We're excited to have Kathy Walton back for this fun and interactive workshop. Have you ever wanted to know how floral professionals put together such beautiful arrangements? If so, you can learn during this workshop! Each attendee will create an arrangement during the class and will be able to take it home with them.

Due to the space limitations of these workshops, you may only sign up for one of the dates.

Foundations of Tai Chi & Qi Gong

Friday, March 10th
1:00-3:00pm RSVP

Begin your Tai Chi practice with this introduction to Tai Chi and Qi Gong theory. Learn the principles and healing practice of Qi Gong. Corinne Chaves leads.

How and Why Meditation is So Helpful

Tuesday, March 21st
6:00-8:00pm RSVP

Come and learn realistic, practical meditation techniques that helps manage stress and pain. You will have the opportunity to ask questions and gain skill and understanding and leave with a beginning practice that works for you. Beginners are welcome. Ellen Sichel leads.

Find Your Balance: Put Some Spring in Your Step!

Tuesday, April 18th
6:00-8:00pm RSVP - Space is Limited

With the emergence of spring comes increased activity. Gardening, walking and sports are some of the many things we enjoy doing, but for many balance is an issue. Learn the principles of effective walking, body mechanics and balance to help support you while you are out and about. The less stress you have in your body, the more energy and strength you will have to enjoy your day. Ellen Sichel leads.

Five Element Practices for Health: Metal Phase - Lungs and Large Intestine

Friday, April 14th
1:00-3:00pm RSVP

This workshop will bring together theory and concepts of the Five Elements with Qi Gong, lifestyle and diet to support the health of the metal phase organs and functions including lungs and large intestine, oxygenation, and elimination. Corinne Chaves leads.

Balance & Fall Prevention

Tuesday, March 28th
2:00-4:00pm RSVP

According to the CDC, 1 out of 3 seniors 65 and older fall each year, It is estimated that 40-50% of these falls could be prevented. Attend this workshop and learn about balance deficits and how to prevent falls. Bev Stegman leads.

Osteoporosis - Building Bone

Tuesday, April 25th
2:00-4:00pm RSVP

Osteoporosis is a bone disorder that causes weakening of bones and can increase risk for fractures. Come learn specific exercises to build new bone and improve balance. Bev Stegman leads.

Rita's Granola

Ingredients:

2 cups rolled oats

1 heaping cup of chopped nuts (walnuts, hazelnuts, almonds, pecans, Brazil nuts)

1/4 cup seeds (sunflower seeds, pumpkin seeds)

3/4 cup unsweetened shredded coconut

1 teaspoon ground cinnamon

3 tablespoons maple syrup

3 tablespoons coconut oil

1 1/2 cups dried fruit (raisins, cranberries, golden raisins, cranberries, chopped apricots)

Instructions:

Preheat oven to 350°F.

Combine oats, nuts, seeds, coconut and cinnamon in a large bowl.

Combine maple syrup and coconut oil in a small bowl.

Pour the coconut oil mixture over the oat mixture and stir to combine.

Spread the mixture evenly on a sheet pan that has been covered with parchment paper.

Place pan on a rack in the middle of the oven and allow to bake for about 15-20 minutes; stirring every 5 minutes to ensure even browning, making sure to spread the mixture out to the entire surface of the pan with each stir.

When the granola is fragrant and golden brown, remove from the oven and stir in the dried fruit.

Enjoy immediately while warm or allow granola to cool before storing in an airtight container.

Recipe by: Chef Ashley R. Van Cise RDN, LD

Support

Gastrointestinal Cancers Support Group

Fourth Wednesday of the Month
12:00-2:00pm

This support group is for anyone diagnosed with a gastrointestinal cancer. These include esophageal, stomach, biliary system, pancreatic, small intestine, large intestine, colon, rectal and anal cancers. This group is only for individuals diagnosed with cancer. If you are a family member or friend of someone with a GI cancer, please attend our Caregivers Group.

Gynecological Cancer Support Group

Second Thursday of the Month
10:30am-12:00pm

This support group is for any woman diagnosed with a gynecologic cancer, including: ovarian, uterine, cervical, fallopian tube, vaginal or vulvar cancer. Join us twice a month to talk with other women who understand the process of being diagnosed and treated for a gynecologic cancer.

Caregivers Support Group

First and Third Saturdays of the Month
12:00-2:00pm

Join us for our twice-a-month "Caregivers Group" where you can meet others who understand the unique challenges of being in a caregiver role while one of your loved ones is undergoing cancer treatment.

Weekly Support Groups

Ongoing support groups for people with cancer are the heart of CSC Atlanta programs. In Weekly Groups, people with cancer offer support to one another, explore new ways of dealing with the stresses of cancer and learn techniques to become partners with their health care team. Wednesdays 5-7pm. RSVP.

Cancer Support Source

Cancer Support Source is a comprehensive, web-based, distress screening program. It was developed to offer anyone diagnosed with cancer the opportunity to routinely be screened for social and emotional distress. This program provides each person who completes the tool with a Personal Support Care Plan that includes information and referrals for support services on both local and national levels.

Survivorship Classes

Thursday, March 16th, 12:00-2:00pm
Saturday, April 15th, 9:00-11:00am

RSVP.

What's next after cancer treatment? Attend a single class to help transition off of treatment and on to a healthy new lifestyle. Survivorship Care Plans, and effects of treatment and wellness will also be discussed. A light meal will be served.

Social Events

Spaghetti Dinner

Wednesday, April 26th
6:30-8:00pm. RSVP. Space is Limited.

Join us for a Spaghetti Dinner. We'll have bread, salad, spaghetti, drinks and desserts, all accompanied by Italian music to serenade you through your meal. The best part about this dinner will be the company. We hope to see you there!

Education

Hereditary Breast and Ovarian Cancer Seminar

Wednesday, March 1st & Wednesday, April 5th. RSVP - 6:30-8:00pm.

Learn more about how genetic testing may help you and your family and about the benefits, risks, and limitations of genetic testing. There will be a question and answer session following the presentation. This seminar will be led by a Genetic Counselor from the Northside Hospital Hereditary Cancer Program and is supported by It's the Journey, Inc. 2 Day Walk for Breast Cancer.

Multiple Myeloma Journey Partner Workshop

Saturday, March 18th, 11:00-12:30pm. RSVP - Lunch Provided

This free educational program will give people with multiple myeloma and their caregivers an opportunity to hear a trained Journey Partner share his or her personal experience of living with multiple myeloma and having an autologous stem cell transplant. You'll also learn about helpful resources and the importance of considering a transplant evaluation. Journey Partners have experienced similar emotions, faced the same challenges and asked the same questions about living with multiple myeloma — and they want you to know that you are not alone.

Elder Law Program

Tuesday, April 11th, 12:00-2:00pm. RSVP - Lunch Provided

This educational program will provide information on estate planning, wills, trusts, power of attorney, benefits, long-term care, and more. Join us for this informational session that will include time for questions and answers. Presented by: Victoria L. Collier, CELA, of The Elder and Disability Law Firm of Victoria L. Collier. This program is supported by a grant from It's the Journey, Atlanta 2-Day Walk.

Movie Night - Lion

Wednesday, March 29th
6:00pm - film ends. RSVP

While visiting Calcutta, a five-year-old boy becomes separated from his family. After quite a bit of wandering, he finds a home with an Australian couple who give him a loving home. Though he grows up happy with them, he still thinks of the parents that he left behind. As an adult, he decides to undertake an epic quest in order to find his family from long ago. We'll start the movie at 6:00pm and keep it going until the credits roll! Pizza and drinks provided.

Are your programs for people with all types of cancer?

Yes. Regardless of a person's diagnosis or where they are in their treatment, our programs are available for anyone affected by cancer.

What do you charge for your programs?

All of our programs are free and are led by licensed professionals. In addition, our facility offers free parking.

Can I bring a friend or family member?

Caregivers, friends and family members are welcome to join you for most programs at the Cancer Support Community Atlanta. We especially encourage you to bring a support person with you to your initial New Member Orientation.

Do I have to be a patient at Northside Hospital?

Although we are affiliated with Northside Hospital, anyone can attend our programs, regardless of where they are treated.

Can I attend programs if I have completed my cancer treatment?

Whether you have just been diagnosed, are in active treatment, or have completed treatment we encourage you to attend programs at CSC Atlanta.

Is parking available?

Free parking is available at our facility. In addition, we are conveniently located adjacent to the Medical MARTA station.

Do I need to bring anything to exercise/stress reduction classes?

No. We have all of the equipment necessary. Just wear comfortable clothing.

Hosted Groups

NHCI Smoking Cessation Series

Scheduled Tuesdays

For more info: 404-780-7653 or

smokingcessation@northside.com.

Northside Hospital Cancer Institute's Smoking Cessation Program offers a seven-week class that educates participants about the hazards of smoking, the benefits of quitting and strategies/skills to cope with urges.

.....

The American Cancer Society's: Look Good Feel Better

3rd Wednesdays, 10am-12pm.

This free public service program is open to women who are undergoing chemotherapy, radiation, or other forms of treatment for cancer. Participants will receive a free makeup kit to use during the session and to take home. RSVP to rachel@cscatlanta.org or 404.843.1880 ext. 115.

About Us

The Cancer Support Community Atlanta is a warm, inviting place where people affected by cancer can participate in free quality programs of support and education to guide them through their diagnosis, treatment, and recovery. We are the Atlanta affiliate of a national organization that is acclaimed for our professionally led programs. All programs are evidence based and empower people to face cancer armed with vital information, a network of supportive friends who understand their journey, and a healthy spirit to face what will lie ahead.

Our home-like facility is centrally located in metro Atlanta and includes rooms for a variety of support groups, large studio rooms for gentle exercise and stress reduction classes, a resource library, a classroom, and a demonstration kitchen for nutrition programs. In addition, our classroom is also open to the public for educational forums featuring some of our area's most acclaimed physicians and specialists in the fields of medicine, nutrition, and breakthroughs in oncology treatments.

New Member Orientation

If you are new to the Cancer Support Community Atlanta we require that you attend a New Member Orientation meeting. These meetings are open to adults with cancer and their family and friends. There will be a tour and overview of the entire program. Mondays at 10am; Wednesdays at 6pm. RSVP no later than noon on the previous weekday (Monday - Friday).

Preparing to Make a Treatment Decision at Your Next Dr. Visit?

CSC Atlanta offers a free service called "Open to Options" that will help you prepare for your next doctor's visit during which you plan to discuss treatment options. To schedule, contact Rachel Newby at 404.843.1880 ext.115.
